I further certify that the inspected and tested work and the necessary completion work was carried out by me or under my supervision- complies in all respects to the plumbing regulations, laws, National Compulsory Standards and Local bylaws.

Signed (Licensed Plumber): **F. J. Peltzer**

IMPORTANCE NOTICE

- An incorrect statement of fact, including an omission, is an offence in terms of the PIRB Code of conduct, and will be subjected to PIRB disciplinary procedures.
- A completed Certificate of Compliance must be provided to the owner/consumer within 5 days of the completion of the plumbing works and the details of the Certificate of Compliance must be logged electronically with the PIRB within that period.
- The relevant plumbing work that was certified as complaint through the issuing of this certificate may be possibly be audited by a PIRB Auditor for compliance to the regulations, workmanship and health and safety of the plumbing.
- If this Certificate of Compliance has been chosen for an audit you must cooperated fully with the PIRB Auditor in allowing them to carry out the relevant audit.
- See reverse side of this Certificate of Compliance for further details
